Final Fugitive Arrested in Las Vegas and Charged in Irvine Home Invasion Robbery that Left Residents Held at Gunpoint and Duct Taped

Multi-agency effort between the Irvine Police Department, Orange County District Attorney's Office, U.S. Marshals Service, and the San Bernardino County Sheriff's Department Resulted in Seven Defendants Arrested and Charged in Robbery Targeting Millions in Cryptocurrency

SANTA ANA, Calif. – A manhunt for the last of seven defendants who carried out a brazen early morning home invasion robbery and kidnapping in Irvine that left residents duct taped and held at gunpoint in an attempt to steal millions of dollars in cryptocurrency has come to an end with the fugitive's arrest in Las Vegas as part of a multi-agency, multi-month effort by the Irvine Police Department, the Orange County District Attorney's Office, the U.S. Marshals Service, and the San Bernardino County Sheriff's Department.

All seven of the defendants charged in the robbery and kidnapping face possible life sentences if convicted on all charges.

"The men and women of the Irvine Police Department work tirelessly every day to keep our community safe," said Irvine Police Chief Michael Kent. "This case highlights our ongoing warning to criminal offenders: Don't commit crime in Irvine."

Darnell Trevon Anderson Walker, 23, of Corona, was tracked to Nevada and arrested on Monday, December 1, 2025, by the U.S. Marshals in conjunction with investigators from the Irvine Police Department and the Orange County District Attorney's Office. The Orange County District Attorney's Office is in the process of extraditing Walker back to Orange County to face criminal charges.

"We pursue violent offenders who believe they can run from justice and not be held accountable for their actions," said U.S. Marshals Service Chief Inspector Sean LoPiccolo. "The arrests of these suspects illustrate the value of collaboration and partnerships we share within the law enforcement community."

"There is no escaping the long arm of Orange County law enforcement," said Orange County District Attorney Todd Spitzer. "Irvine detectives worked for months tracking down these suspects, and in collaboration with the Orange District Attorney's Office, the U.S. Marshals Service, and the San Bernardino County Sheriff's Department, we are doing everything we can to collectively bring these criminals to justice. Every Orange County resident should be able to sleep soundly knowing that Orange County law enforcement is keeping unwavering watch over our communities and that those individuals who come to Orange County to commit

crimes will be identified, arrested, and prosecuted to the fullest extent of the law.”

Walker is one of seven defendants charged in the September 23, 2025, early morning home invasion robbery in the 5000 block of Royale Avenue in Irvine. One of the defendants, 25-year-old Tommy Levion-Elijah Davis, was released from custody over the objection of prosecutors after he was arrested and charged in a Fourth of July attempted residential burglary in Laguna Niguel.

At about 3:30 a.m., on September 23, 2025, a man was sleeping with his wife and infant son when he heard glass break and shouted to alert his brother-in-law who owned the home that someone was breaking in. When the man went downstairs to investigate the noise, he and his brother-in-law were held at gunpoint while their hands were duct taped behind their backs and duct tape was put over their mouths by the intruders. The intruders also grabbed two women from upstairs and brought them downstairs. The wife of one of the men who had been duct taped locked herself in a bedroom with her children and called 911, but when she opened the door to see what was happening, one of the intruders grabbed her cell phone and ran out of the house with the other two intruders. The stolen cell phone was found a short distance away.

The camera of one of the victims’ Tesla captured a white Dodge Charger in front of the victims’ home right before the break in. Irvine police with assistance from the San Bernardino County Sheriff’s Department, the Orange County District Attorney’s Office, and the U.S. Marshals were able to identify and arrest seven individuals suspected in the home invasion robbery.
